

Human Business Labs – Your Investment (B2B, Switzerland)

Impact Labs®

Project Incubators – Human First. Project Ready.

Impact Labs are intensive co-creation spaces where teams turn their most pressing challenges into concrete, market-ready projects — fast, clear, human-centered, and AI-supported.

Package	Duration	Price	Outcome
Impact Lab Sprint	2 days	CHF 12'000*	Problem clarity, target picture, 1–2 solution pathways
Impact Lab Pro	5–7 days across 2–3 weeks	CHF 28'000*	Project blueprint, cost/benefit analysis, roadmap, initial validation
Impact Lab Full	3-5 weeks	CHF 48'000*	Full project package, MVP-ready
Add-on: La Machina Intelligence Pack	-	CHF 6'000	AI-supported validation, scoring, and story extraction

* The *Impact Share* is an additional, optional value-participation mechanism.

It amounts to 10% of the approved project budget and is only due if the organization chooses to implement the project developed during the Lab. No implementation = no Impact Share.
